Report on School Construction Project in Juba, South Sudan

Date: 21/03/2025

Prepared by: Samuel Khot John /Light Along My Path - LAMP

Recipient: Our Supporters, Friends and Family Members,

Introduction:

Education is a fundamental right and a crucial tool for the development of any society. In Juba, South Sudan, there is a growing need for quality educational institutions to serve the increasing number of children who lack access to proper schooling. Our organization is dedicated to constructing a new school to provide quality education to underprivileged children in the region. This report outlines the progress of the project and seeks your generous support to complete the construction.

Project Overview:

Location: Juba, South Sudan

Objective: To build a fully equipped school to provide quality education for children in need

Target Beneficiaries: Approximately 1000 – 1200 students

Facilities Planned:

- Classrooms

- Library
- Science and Computer Labs
- Water pump and solar
- Administrative Offices
- Sanitation Facilities
- Playground and Sports Facilities

Current Progress:

Land Acquisition: The land has been secured and legal processes finalized.

Initial Construction: The fence has been completed (See the photos Attached)

Materials and Workforce: Local laborers and contractors have been engaged to ensure job creation within the community.

Challenges and Needs:

Despite our progress, we are facing financial constraints that threaten the timely completion of the project. The following areas require urgent funding:

- **Construction Materials:** Cement, bricks, roofing sheets, and other essential materials.
- **Labor Costs:** Wages for skilled and unskilled workers.
- **Classroom Equipment:** Desks, chairs, chalkboards, and books.
- **Water and Sanitation Facilities:** Installation of clean water sources and proper sanitation systems.

Impact of Your Support:

By contributing to this project, you will be directly transforming the lives of hundreds of children. Education empowers communities, reduces poverty, and builds a brighter future for South Sudan. Your generosity will help create a sustainable and lasting impact.

Conclusion and Call for Support:

We sincerely appeal for your financial assistance to help us complete this vital project. Any contribution, big or small, will bring us closer to providing a safe and conducive learning environment for these children. Together, we can make education accessible and give hope to the next generation.

WAY TO SUPPORT

Education is the foundation for a brighter future, yet many children in South Sudan lack access to proper schools. We are embarking on a critical mission to construct a new school in Juba, South Sudan, to provide quality education for underprivileged children. To make this dream a reality, we need your support. Your generous, tax-deductible donation will directly fund the construction of classrooms, learning materials, and essential facilities. With your help, we can create a safe and nurturing environment where children can learn and thrive.

Why Your Support Matters:

- Every dollar donated will go toward school construction, desks, books, and teacher support.
- Your contribution is tax-deductible, helping you give while also receiving benefits.
- Investing in education empowers communities and transforms lives.
